What am I doing, you ask ?

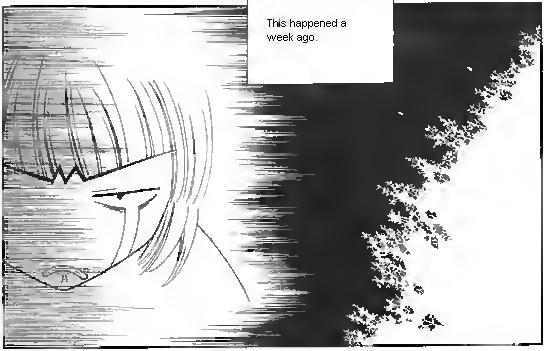
As you can see, I am work ng n a kitchen

Why you ask That s because
Kkyack !

Stop mumb ng and do your job

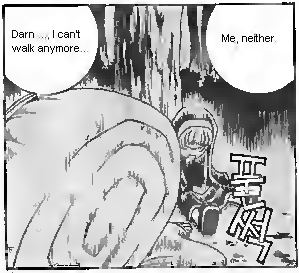
What are you looking at me for?
It's all because of that witch !

The seal n th s forest lets only ch ldren pass
So you have better not hope for help to arrive !



This happened a week ago.

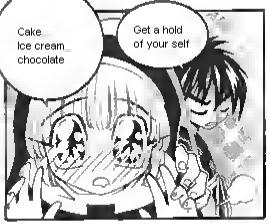
Hemosu
David
Where are you all ?



Darn ..., I can't walk anymore..
Me, neither.

This is strange
We seem to be circling the same spot, and we can't find Hemosu and David at all. They simply disappeared.
I am hungry -

Uh ?!
What is it?
I smell food over there !
Wait for me !



Cake
Ice cream

Get a hold
of your self

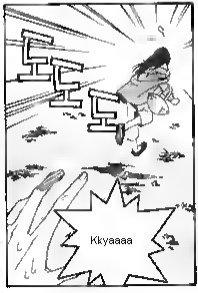
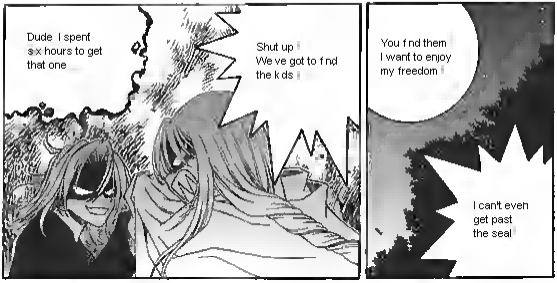
Get to your next task after you are done giving them food!!

It s a cr me to have clothes on n th s forest Why don't you take them off and be free ?
Why don't we have some fun?
Ahah ~

What the hell do you th nk you are do ng
Kkyack

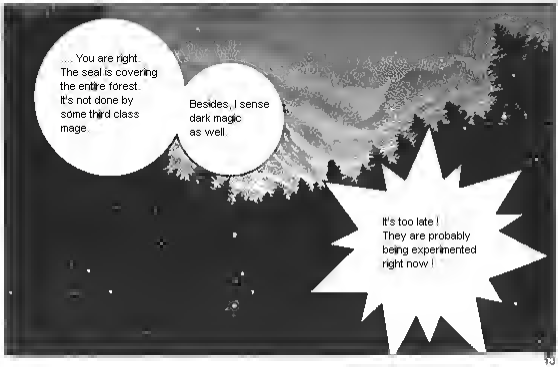


Kkyaaaa



Dude I spent six hours to get that one
Shut up ! We've got to find the kids !
You find them ! I want to enjoy my freedom !
I can't even get past the seal !

Quit talking back to me boy You are a mage Use your magic
The seal is way too big for me to do anything !



.... You are right. The seal is covering the entire forest. It's not done by some third class mage.
Besides, I sense dark magic as well.
It's too late ! They are probably being experimented right now !

F ne
It doesn't look l ke I am go ng to f nd another woman n th s forest anyway
Well thanks
B ngo
Oh, yeah !
Let's follow them !

Ondal
Why don't you stop play ng games and get out of here ?

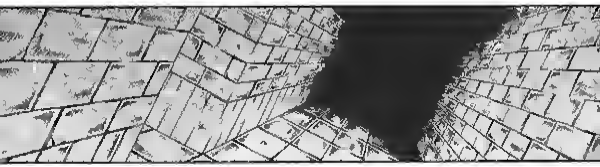
Ach Leave me alone
Why don't you use your strength?

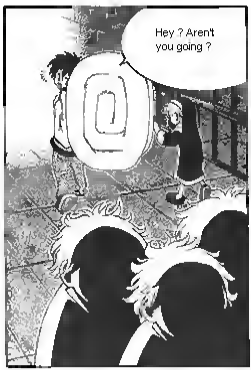
If I could I would have
That witch d d someth ng to me and completely sealed my powers
Ah I see why you ve been qu et

쳐

Oh well, loads of games to play but ... I have had enough for a while.

Go pack our things !

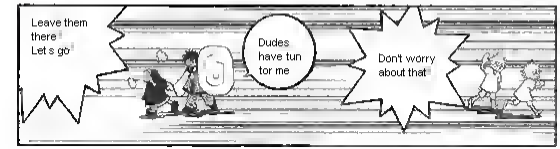




Hey ? Aren't you going ?

Are you nuts? We aren't going anywhere without having done with her at least once !
So, what if she is a witch ? She's cute !

What kind of kids are you all ?
You don't even have hairs around your @#$$. Do you really think you can show that witch that small @#$% of yours and be proud ?
What the hell is she talking about ?
I have tew
You know, Samson, you sometimes speak ... very bluntly



Leave them there ! Let's go !
Dudes have turn for me
Don't worry about that !

It's no use. The core is the seal is too far away

The core needs to be destroyed
Well, just make a small hole on the seal
It's dangerous, but I think that's the only option we have left
Alright
Yes, sir!
Good luck

@#$%&!

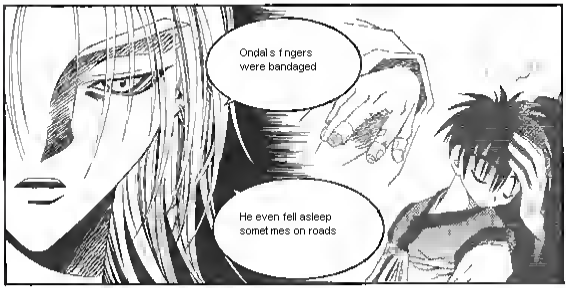
You did not see, didn't you?



Ondal's fingers were bandaged

Weren't you a leader of a religion ? Don't you know shame and pride ?

Actually for a long time, I've been wanting the leader (Her brother)
Have him and be done

Now let's leave them alone
Do whatever you want

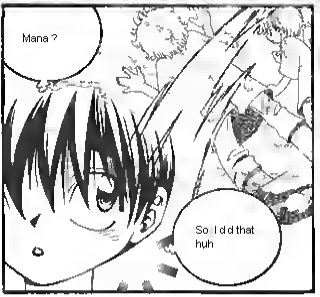
So long ~
Hey ! Hey ! How could you do this to me ? We are comrades and we faught together !
I am not playing with you anymore Hemosu told me that you are bad

Fine, bind me to you then !
Make me a part of you !

Bind ?
It's like a contract

God damn !
I was once a powerful dragon
What did I do to deserve this
Still better to be used as a sword than to just rot
I am sorry to disturb you, but why should I bind you to me ?

I was told that you abused me with mana
And thanks to me, you now can use mana at will now

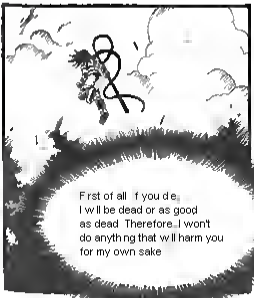


Mana ?
So I did that huh

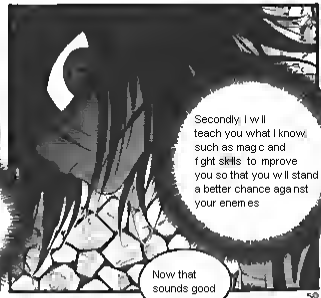
What do I gain from
binding you to me ?
First of all,
you will survive
from this situation

That doesn't sound
good enough to me
Don't you have
anything else to
offer ? Like tickets
to amusement
parks or something?
Do you think I am
a salesman or
something ?
You said it's a
contract

Fine
I will tell you
everything
about binding



First of all if you die
I will be dead or as good
as dead Therefore I won't
do anything that will harm you
for my own sake



Secondly I will
teach you what I know
such as magic and
fight skills to improve
you so that you will stand
a better chance against
your enemies
Now that
sounds good

Let s beg n already
I told you all
Drop few drops of your
blood on me
Blood ?
It sounds ... a
good deal to me.

Why? Those were powerful spells
You seem to be more talented in magic than in swordsmanship
Shut up! Magic defies the ways of the nature! Swords all the way!
Aren't you misunderstanding something?

www.jahmes.com

"Rampage" as an initial strike to weaken your enemy mentally, and then "Disarm", "Rot", and even "Powerword : Death" at once

That was amazing Even I haven't done four major spells at once

Anyway, Onda! !

Hic

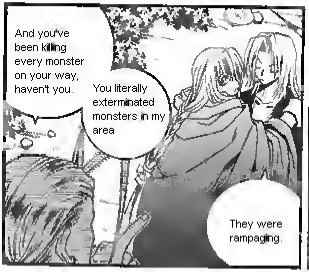
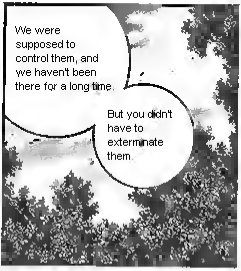
Enough, Hemosu !
Your body is broken. If you keep going on, you might die
Broken ?
Well, I guess you don't know. After all, you haven't lived long enough in a human form
Don't you feel numb all the time and suddenly fall asleep ?
Furthermore, you sometimes feel pains from all over your body and have no appetite at all
Exactly
That body of yours is aged too much !
You've used so much powers in that form. It was only a matter of time !

Powers ?
I told you to stop messing around with women !
Isn't that the only way you'd spend "powers"?!
What are you talking about ?
Will you shut up ?



And you've been killing every monster on your way, haven't you.
You literally exterminated monsters in my area.
They were rampaging.



We were supposed to control them, and we haven't been there for a long time.
But you didn't have to exterminate them.

.....

So, you've been going around to kill monsters rather than playing with girls ?
Girls were a bonus. Let's put it that way.

Aren't you risking a little too much? I suggest you don't meddle into affairs of humans too much ....
Mind your own business, and just tell me how to fix it.
